

MICHAEL CALVIN

PROJECT INSPECTOR/FIELD TECHNICIAN

CAREER SUMMARY

Since 2002, Mike Calvin has maintained employment in the roofing and waterproofing consulting field where he has provided quality assurance inspection services related primarily to roofing and waterproofing projects. Mr. Calvin, a Houston, Texas resident, has four years of experience with Price Consulting, Inc. (PCI). Mr. Calvin's role at PCI is to provide quality assurance inspection services regarding roofing, waterproofing, and exterior restoration related services, perform condition surveys, and obtain technical data/information for renovation design.

ROOFING AND WATERPROOFING EXPERIENCE

Mr. Calvin has performed non-destructive roof moisture surveys and visual condition surveys for built-up, modified bitumen, foam, flexible sheet roof systems, shingle, and tile. Mr. Calvin has provided numerous quality assurance field inspections of roofing and waterproofing projects during construction to verify contract compliance and/or deviations and assist with problem resolutions.

REPRESENTATIVE PROJECTS

Houston Independent School District, Houston, TX: Provided quality assurance field inspection for multiple Houston Independent School District schools, including High Schools, Middle Schools, and Elementary Schools.

Houston Baptist University, Houston, TX: Provided quality assurance field inspection for roof replacement project, including documentation of contractor daily activities.
